Subject: Termination of Suspension of Mining Operations, Bonneville Quarries, Inc., Dove Creek (M/003/016), Green Beetle (S/003/017), Lynn Spring (M/003/025), Fisher Creek (S/003/027), Enterprise Millsite (S/003/032), Grouse Creek (M/003/031), and Dove Creek Mill (S/003/047), Box Elder County, Utah

Dear Mr. Bown:

On September 8, 2003, the Division notified you that your mining operations were placed in suspension for failure to pay the required permit fees for year 2003. On October 16, 2003, we received your permit fees; therefore, the status of your mines is no longer listed as being in suspension and you may resume operations as before. Permit fees are required annually until the site has been completely reclaimed and you have received written notification from this office that the permit is officially closed.

In order to avoid this from happening in the future, payment of the fee by the due date (last Friday in July) would be appreciated. Thank you for keeping your mine permit in good standing.

Sincerely,

D. Wayne Hedberg, Permit Supervisor
Minerals Regulatory Program
Utah Division of Oil, Gas and Mining
